## Read Through the Bible in a Year

This is based on the *Blue Letter Bible Historical Reading Plan*. The Old Testament readings follow the Hebrew book order and the New Testament books are in the order they were written.

Each daily reading is 6 to 10 pages long. In sections that have more poetry, the readings may be longer because there are fewer words per page. This is a work in progress. I seem to adjust it every time I use it.

Page numbers that end in a period mean read to the end of that page. A bar next to the book names indicates that multiple books are read on a single day.

Organizing the readings this way yields less than 365 readings. Use the extra days to reflect on a reading that captured your attention or as "grace days" when you miss a reading.

I'm grateful to Adam Greene for the beautiful Bible edition he created.
